

## Welcome

All Souls' International Community Church, Kuala Lumpur.

It's a Home away from home. If you looking for a church to feel at home, "All Souls" is just the place for you.

The ministry in Sri Hartamas and Mont Kiara began in 2008 as a home fellowship group with just three families and a few individuals. It has now grown to be a church. Our aim is to reach out and minister to the needs of the locals and foreigners in the vicinity. We are in a shop-lot above "For Goodness Cake"

**Sunday Service** is at 9.30am, followed by a fellowship meal.
